HARDEST CHOOSE EVER EITHER TO GO
FOR MASTER OR FOR TEACHING
LOOKING FOR CAPITAL
TO START WHAT I HAVE IN MIND.

First Thing To Do.

- i. First thing is to know my circle so that I won't regret my decisions.
- ii. Observe.
- iii. Learn from others mistakes.
- iv. Have a pure plan , the world is covered with million things to do , pick 3 and stick to them.
- v. Plan ahead.
- vi. Don't blame others for your own failure.
- vii. Working hard alone don't work.

THINGS I HAVE STUDIED OUTSIDE SCHOOL WORK

I have studied these things from 2019 since from 2017 I didn't know what I wanted to know plus my knowledge was really poor very poor , and I used to depend in class work but life in university is all about do it yourself, the university is only providing accommodation and free will to learn.

- a) **Forex** --> I have wrote algorithms to use for automatic trading , they are in my SleepEatandTrade repository github.
- b) **Designing** --> I have also studied designing even though my imagination is so poor I have basic knowledge.
- c) **Youtube** ---> I have started a you-tube channel for a trial and one of my videos have 27 000 viewers, I gained 78 subscribers in 2 weeks.
- d) **Music Beats** --> I have done music beats using different application including my favorite way though algorithms (raspberry pi 3).
- e) **Robotics** ---> this is what I am doing currently (04/Feb/2021)

VERY IMPORTANT THINGS I DIDN'T LEARN YET.

- i. Business.
- ii. Who to trust , not to trust.
- iii. How to control my fear.

THINGS I LOVE TO DO!

I love things which computers involvement such as making applications, websites , and mostly mechanical engineering which have something to do with the hardware for example automatic things.

I want to have a name and to create some systems in my name either with the current people or without , the best thing I can do for myself is to research and read more and spend more time following Mr Winters needs which are obviously profitable in the long run.

If you get there before me , please set a table for me. I will do the same
